EDUCATION

Bachelor of Technology in Computer Science & Engineering (DS) ,NIET, Greater Noida - 8.11 CGPA

June 2024

Sarvajani Inter College , Jaunpur - 71.4%

April 2020

R D M S S Mungra Badshapur, Jaunpur – 82.83%

April 2018

SKILLS

- **Languages :** C++, JavaScript
- **Problem-solving:** Data structures and algorithms
- **Developer tools:** VS code, Postman, Git , GitHub
- **Technologies/Frameworks:** Html & CSS, Bootstrap, Reacjs, NodeJS, Next js, Tailwind CSS
- **Database:** MongoDB, Sql
- **Professional Skills:** Teamwork, Time management, problem-solving

EXPERIENCE

Agami Technologies- Full Stack Developer (March 2024 - May 2024)

- Implemented performance optimization techniques to reduce page load times by 50%.
- Developed scripts to enhance data updates for 500,000 users, reducing lag by 80%.
- Enhanced logging for detailed error identification, radically reducing debugging time.
-

Provoke Developers – Full Stack Engineer (January 2024 – February 2024)

- Proficient in Git and GitHub for collaborative version control, ensuring smooth project development and deployment
- Experienced in Firebase integration for real-time data management, authentication, and hosting.
- Skilled in Next.js development, leveraging its features to build fast, SEO-friendly, and scalable web applications, including live project neatskills.online, utilizing React and Node.js.

PROJECTS

E-commerce application project using Reactjs and Nodejs MongoD – ([Github URL](#))

- Implemented dual login functionality – Admin with settings panel and User login, enabling distinct access levels and functionalities.
- Enabled Admin CRUD operations for seamless data management.
- Enabled Users to directly search products via the database and make purchases, enhancing user accessibility and convenience.

Chat App using ReactJs, NodeJs, and MongoDB – ([Github URL](#))

- Implemented user authentication features including signup, sign in, and logout functionalities.
- Developed live chat functionality with user status tracking for enhanced user interaction.
- Utilized database storage to ensure seamless access to user data across multiple devices, leveraging Node.js for server-side logic to manage authentication and data operations efficiently.

EXTRA/CO-CURRICULAR ACTIVITIES

- Achieved 95/3500 College rank on gfg.
- Solved 250+ Problems on LeetCode.
- 400 + problems solved on Code Studio
- Profiles - [LeetCode](#), [Code Studio](#) , [LinkedIn](#) ,[Github](#) ,
